

Dear European Endometriosis support groups!  
Dear Endo Sisters!

As you know, the 4th European Endometriosis Congress in Vienna is just a month away. Finally, we can send you the invitation to our meeting we like to hold on the morning of Friday, 23rd of November. Please find the invitation attached. We as the Austrian Endometriosis Association would be happy to welcome many of you.

And we want to share two important news with you:

We were able to reach a good deal for all attending self-support groups: Congress organization now offers a **2 for 1 registration**.

How it works:

The first person representing a national organization has to register (link: <http://www.eec2018.com/registration-accommodation/registration/>) and pays the reduced entrance fee of 240 Euro. The second person representing the same organization would still need to register, but they do not pay. When entering the payment details in the registration process, this person must choose wire transfer as payment option as a formality, but you do not need to wire that payment. Instead you need to inform congress organization about the 2 for 1 registration you completed and give them the names of your delegates qualifying for this deal, via email to [EEC2018-Registration@icsevents.com](mailto:EEC2018-Registration@icsevents.com).

So, if two of your delegates want to attend the congress, you only pay for one. We very much hope that this deal will make it easier for some of you to visit Vienna. If you have any questions regarding the registration process, please mail them directly to [EEC2018-Registration@icsevents.com](mailto:EEC2018-Registration@icsevents.com).

Congress organization will offer our Austrian group an information table in the gallery just outside the exhibit hall on Thursday and Friday for free. There we can present info materials (folders, booklets) about our work for all medical professionals attending the congress. If you want to, you can send us some of your materials too and we will fashion everything to be a nice information table about all our self-support work. Congress organization will provide us with a table big enough to present materials from all our groups. If you want to send us something via postal service or bring something to the table on Thursday, please just contact me to arrange it.

If any of you would like to have their own dedicated table, congress organization offers this in the same area at EUR 100 plus VAT per table. In this case please bring up the subject when you contact them after your registration via [EEC2018-Registration@icsevents.com](mailto:EEC2018-Registration@icsevents.com).

Again, we hope to see you in Vienna in a month!

Best regards,  
Kathrin Steinberger  
Representative EVA
