

EEL EUROPEAN ROBOTIC ENDOMETRIOSIS MASTERCLASS

PROGRAM ►

14th–15th October, 2026

Start from 08:45 am

Semmelweis University
Budapest, Department
of Obstetrics and
Gynecology

Course Lead

Attila Bokor

DAY 1

📅 14.10.2026

🕒 08:45 am – 18:30 pm

📍 Semmelweis University Budapest, Department of Obstetrics and Gynecology

Kickoff & Morning Sessions

- ✓ **08:45** Live surgery in two ORs – one straightforward & one complex case (Colorectal DE / Bladder DE) – [Attila Bokor & Gaby Moawad](#)
- ✓ **11:30** Robotic Anatomy – [Gaby Moawad](#)

☕ **12:15 Lunch**

Afternoon Sessions

- ✓ **13:15** Endometriosis and Ultrasound scan – [Gabor Szabó](#)
- ✓ **14:00** Robotic strategy – [Gaby Moawad](#)

☕ **14:30 Break**

- ✓ **15:00** Parametric and Nerves – [Mikkel Seyer Hansen & Attila Bokor](#)
- ✓ **15:45** Bladder and Ureter – [Mikkel Seyer Hansen](#)

🍴 **18:30 Dinner**

DAY 2

📅 15.10.2026

🕒 09:00 am – 15:00 pm

📍 Semmelweis University Budapest, Department of Obstetrics and Gynecology

Morning Sessions

- ✓ **09:00** ICG technology in robotic surgery – [Michael Müller](#)
- ✓ **09:30** Anatomical variations in the female pelvis: we have to be careful? – [Viktoria Katona](#)

☕ 10:15 Break

Midday Sessions

- ✓ **10:45** MRI – [Kolos Turtoczki](#) · MRI specialist
- ✓ **11:30** Ovarian endometriosis – [Michael Müller](#)
- ✓ **11:50** The Budapest way: from out-patient clinic to post-op care – [Reka Brubel](#)

🍴 12:15 Lunch

Afternoon Sessions

- ✓ **13:00** Bowel endometriosis – [Attila Bokor](#)
- ✓ **14:00** Complications in Endometriosis Surgery – [Pawel Basta](#)
- ✓ **15:00** Evidence of robotic surgery, operative movies & final discussion
