

EUROPEAN ENDOMETRIOSIS ROBOTIC SURGERY MASTERCLASS

Course lead: Mikkel Seyer-Hansen

midt Aarhus
University Hospital

 **Aarhus, Denmark**

 **12-13 November 2026**

EEL European
Endometriosis
League

Venue: Aarhus University Hospital, Aarhus, Denmark

Day 1 — Thursday, 12 November 2026

08:30 – 18:30

KICKOFF & MORNING SESSIONS	
08:30	Welcome and Introduction
08:45	Live robotic surgery in two operating rooms — complex cases — <i>K. Dahl, A. Egekvist, A. Bokor, M. Seyer-Hansen</i>
11:30	Surgical Anatomy — <i>G. Moawad</i>
12:15	Lunch
AFTERNOON SESSIONS	
13:15	Ultrasonographic evaluation of endometriosis — <i>A. Egekvist</i>
14:00	Robotic strategies — <i>G. Moawad</i>
14:30	Coffee Break
15:00	Experience with single-port robotics in endometriosis — <i>H. Krentel</i>
15:45	Bladder and ureteral endometriosis — <i>M. Seyer-Hansen</i>
18:30	Networking dinner

Day 2 — Friday, 13 November 2026

08:30 – 14:45

MORNING SESSIONS	
08:30	Bowel endometriosis — <i>A. Bokor</i>
09:30	MRI in deep infiltrating endometriosis — <i>E. Marinowski</i>
10:15	Coffee Break
10:45	Use of ICG in robotics — <i>H. Krentel</i>
11:15	Peritoneal endometriosis — surgical considerations — <i>K. Dahl</i>
11:45	The Aarhus protocol: from outpatient clinic to postoperative follow-up — <i>K. Dahl</i>
12:15	Lunch
AFTERNOON SESSIONS	
13:15	Parametria and nerves — <i>A. Bokor & M. Seyer-Hansen</i>
14:00	Evidence, videos and discussion — <i>Faculty</i>
