HOSPICES CIVILS DE LYON

EEL EUROPEAN ENDOMETRIOSIS MASTERCLASS

EEL European Endometriosis League

# EEL MASTERCLASS

## Masterclass lead : Prof. Gil Dubernard

**5-7 November 2026**

**Lyon, France**

**Event location:**
Croix-Rousse University Hospital
Lyon, France.

# EEL MASTERCLASS

PROGRAMME

| | |
|---|---|
| MASTERCLASS LEAD | **Prof. Gil Dubernard** |
| DATES | 5–7 November 2026 |
| VENUE | Croix-Rousse University Hospital, Lyon, France |

## THURSDAY 5 NOVEMBER

### MORNING Live surgeries

**Chairs** *Pr M. Canis, G. Dubernard, B. Darnis*

| | |
|---|---|
| **08:30 – 12:30** | Laparoscopic resection of posterior DIE with rectal endometriosis — Clermont-Ferrand team — ***Pr N. Bourdel, Dr C. Figuier, K. Poirot*** |
| | *Coffee break* |
| | Robotic resection of posterior DIE with rectal endometriosis — Lyon team — ***Pr C-A. Philip, Dr P. Pezy, Pr G. Dubernard*** |

### AFTERNOON Presentations

| | |
|---|---|
| **13:30 – 14:00** | Ovarian cystectomy for endometrioma is not a stripping technique — ***M. Canis*** |
| **14:00 – 14:30** | Reverse technique for posterior DIE: rationale and strategy — ***M. Canis*** |
| **14:30 – 15:00** | Prediction of the type of rectal surgery: value of pre- and intraoperative ultrasound imaging — ***C-A. Philip*** |
| **15:00 – 15:30** | *Coffee break* |
| **15:30 – 16:00** | How I perform a NOSE technique in 10 steps — ***P. Pezy, B. Darnis*** |
| **16:00 – 16:30** | Functional outcomes after colorectal resections for DE — ***A. Bokor*** |
| **16:30 – 17:00** | Is colorectal resection necessary to improve pain and fertility? — ***A. Bokor*** |
| **17:00 – 17:30** | Laparoscopic diaphragmatic muscle resection in 10 steps (laparoscopic & robotic) — ***N. Bourdel*** |
| **17:30 – 18:30** | **Multidisciplinary discussion of 4 cases brought by the attendees** |

## FRIDAY 6 NOVEMBER

### MORNING — Live surgeries and HIFU treatment by surgeon sonologists

**Chairs** *Pr A. Bokor, A. Constantin, N. Bourdel, C-A. Philip*

| | |
|---|---|
| **08:30 – 09:30** | HIFU treatment of rectal endometriosis + endometrial thermal ablation — ***G. Dubernard, E. Nguyen Ba***<br>Supported by **FocalTherics** |
| **09:30 – 10:15** | Live scan ultrasound of posterior DIE · Coffee break — ***G. Dubernard, A. Constantin***<br>Supported by **SAMSUNG France** |
| **10:15 – 12:30** | Combined HIFU treatment of rectal endometriosis and robotic partial bladder resection — ***G. Dubernard, S. Ourfali, S. Warembourg*** |
| | Live scan ultrasound of posterior DIE · Coffee break — ***G. Dubernard, A. Constantin*** |
| **12:30 – 13:30** | *Lunch* |
| **13:30 – 14:00** | Transvaginal ultrasound-guided sclerotherapy for endometriomas — ***G. Dubernard, S. Warembourg*** |

### AFTERNOON — Presentations

| | |
|---|---|
| **14:00 – 14:30** | Anatomy and surgical strategy for DIE (by videoconference) — ***M. Mabrouk*** |
| **14:30 – 15:00** | Ultrasound imaging of deep infiltrating endometriosis — ***B. Chauveau*** |
| **15:00 – 15:30** | How to report deep pelvic disease MRI according to the European consensus, and how I use the dPEI score — ***P. Rousset*** |
| **15:30 – 16:00** | What are the consequences of a diagnosis of superficial endometriosis? — ***B. Chauveau, A. Constantin*** |
| **16:00 – 16:30** | Patient-guided endometriosis surgery: image-guided surgery existed before AI — ***M. Canis*** |
| **16:30 – 17:00** | *Coffee break* |

### HANDS-ON SESSIONS

| | |
|---|---|
| **17:00 – 18:00** | Transvaginal ultrasound simulators for the diagnosis of deep infiltrating endometriosis — ***C-A. Philip, A. Constantin***<br>Supported by **Twin Medical / Surgical Science** |
| | Simulation of a HIFU treatment of rectal endometriosis with Focal One — ***G. Dubernard, S. Warembourg***<br>Supported by **FocalTherics** |

### EVENING

| | |
|---|---|
| **18:30 – 19:30** | **Run in Lyon** |
| **20:00** | **Cocktail reception — Fort Saint Laurent** |

## SATURDAY 7 NOVEMBER

### MORNING Presentations

| | |
|---|---|
| **08:30 – 09:00** | How I perform a bladder or ureteral resection in 10 steps — ***A. Constantin*** |
| **09:00 – 09:30** | Image-guided endometriosis surgery: from fluorescence to AI — ***N. Bourdel*** |
| **09:30 – 10:00** | Contribution of AI to the US diagnosis of digestive endometriosis — ***C. Jayyosi***<br>Supported by **FemNov** |
| **10:00 – 10:30** | HIFU treatment: therapeutic principle, indications and results — ***G. Dubernard*** |
| **10:30 – 11:00** | HIFU: future applications in gynaecology — ***C-A. Philip*** |

### MASTERCLASS CLOSING Closing lecture

| | |
|---|---|
| **11:30 – 12:00** | Endometriosis: have we entered a post-truth era? — ***M. Canis*** |
